Mohamad Qutait

Mohamad Qutait- PhD - Doctoral in Operations Management- Scholarships Specialist Consultant-Entrepreneur-Educational Expert- Content Writer

Summary

Change Maker, Lifelong Learner, Community Developer, and FOREVER ETHICS PURSUER.

I can say frankly: I'm interested in Consultants and Coordination of Educational programs System Admin role in a respected company or University makes me develop my skills and learn new things because my passion in Education leads me to get new skills Like : self-driven, self-motivated, self-disciplined, team player, pro-active, collaborative, result-oriented, multi-skilled , organized, interpersonal skills, strategic thinking, conflict management, decision-maker , analytical skills, Adaptability, Customer service, Leadership, Planning, Reporting skills, communication skills, problem-solving, work under pressure, Fast learning.

and I need more :)

I believe in my qualifications which make me give an added value for the right place in work journey.

Best regards

Mohamad Qutait
