CONTINUING PROFESSIONAL DEVELOPMENT ---

I appreciate the importance of maintaining and continuing my professional development, and actively do so in the following ways:

- Attending courses, lectures, national and international conferences.
- Lecturing in the hospital management courses.
- Lecturing to junior staff, online study and Journal subscriptions.

ACCOMPLISHMENTS ---

- **From Jan 2020 until present**, I joined one of the biggest healthcare groups in the Middle East; Elaj Medical Group as a COO to their great medical project; Alexandria International Hospital. Our group is focusing on Chronic Care Delivery Model and integrated healthcare delivery system in the MENA region with an initial focus on Saudi Arabia and Egypt markets with a remarkable presence in UAE, Qatar, Oman, Kuwait, Sudan, Ethiopia, Italy and UK.
- **From Apr 2017 until Dec 2019**, I work as CEO of Qasr El-Teb medical Group, an Egyptian's private healthcare system that will combine innovative research, high-level education and outstanding medical care, and is committed to building a rich legacy of healthcare expertise. We are expected to accomplish our services by June 2020. In addition to healthcare management consultant for many medical projects in Cairo and Alexandria including establishment of hospital as well as healthcare management programs.
- **From Feb 2015 until present**, I am working as an acting head of anesthesia department in Pharos University, which is one of our leading universities in Alexandria.
- **From June 2015 until present**, I am working as a Consultant Anesthetist and Operating Theater Manager in one of the Andalusia Hospitals, which is the biggest private hospital group in Alexandria.
- **From February 2007 until July 2011**, I had been working at the Armed Forces Hospital in Riyadh as a consultant anesthetist. In addition to my special activity as member of the Hospital Infection Control committee, educational, audit, research and ethical committee and TQM committee.

- **From Jan 2008 until present**, I am a Peer Reviewer in British journal of Anesthesia, International Archives of Medicine, British journal of Medical Practitioners, Oman Medical Journal, African Journal of Pharmacy and Pharmacology, Journal of Research in Medical Sciences and Indian Journal of Anesthesia.
- I have many publications in well known international journals as Minerva Anesthesiologica, European Journal of Clinical Pharmacology, British Journal of Medical Practitioners, Indian Journal of Anesthesia, Oman Medical Journal and Saudi Journal of Anesthesia.
- I presented my research activities in many international medical conferences as 6th World Anesthesia Congress in Vancouver- Canada, 2nd World Anesthesia Congress in Rome- Italy, pain management Symposium in Antalya- Turkey, the International Symposium on advances in pediatric Anesthesia in Riyadh- KSA and 5th Pan Arab Congress of Anesthesia in Cairo- Egypt.
