📍 Currently living in Abidjan, Côte d'Ivoire for my V.I.E Program

Results-oriented finance professional with solid experience in reporting, budgeting and optimization in international contexts, I aim to contribute to high-impact projects while strengthening my skills within a global organization

WORK EXPERIENCE

- Since February 2025 | **FINANCIAL CONTROLLER**
CEVA LOGISTICS (Abidjan, CÔTE D'IVOIRE)
(Role: Benin, Togo, Burkina Faso, Mali, Côte d'Ivoire, Senegal, Cameroon, Madagascar)
- Implemented regional financial reports: revenues collections, performance, budget variances and credit limits to ensure smooth daily operations
 - Contributed to forecasts, mid-year reviews, and budgeting processes for business units
 - Optimized tools and processes with the back-office and provided user support
 - Led financial coordination for West Africa, ensuring streamlined communication, and timely delivered of monthly reports to senior management
 - Produced and delivered *ad-hoc* financial analysis for general management, finance and commercial directors
- 06/2022 - 01/2025 | **PROJECT BUDGET CONTROLLER**
THALES (Paris, FRANCE)
Project: Sale of the Ground Transportation System business (GTS) - Worldwide (Revenues: €1.7 billion)
- Monitored segregation costs and Transition Services Agreements (TSAs), coordinated billing and collections with local finance teams
 - Collaborated with regional and functional leads to identify reshaping actions, define targets, and validate budget template data
 - Developed specifications of the reporting tool with delivery from the technical team
 - Led Power BI reporting (budget, actuals, forecast): designed, deployed and presented monthly at a global kick-off meeting (+ being L1 support)
 - Collected GTS overdues before Day-One (88% performance)
 - Participated in budget preparation and month-end closing
 - Managed bank guarantees reporting (risk transfers)
- 10/2020 - 05/2022 | **FINANCIAL AUDITOR**
KPMG (Lille, FRANCE)
Scope: Industry
- Applied audit methodology and work programs defined by file signatories
 - Assessed risk and internal controls systems, and reviewed procedures of audited companies
 - Analyzed and tested key accounting cycles including accounts receivable, accounts payable, payroll, cash management, inventory, fixed assets
 - Conducted physical inventory missions
 - Reviewed and validated financial statements and legal reports to support audit opinions
- 10/2019 - 03/2020 | **BUSINESS CONTROLLER**
GELATO-GO (Miami, USA)
2019 Revenue: \$2 million
- Processed customer orders, supplier invoices and check deposits
 - Prepared monthly P&L statement for stores
 - Managed accounts receivable aging report and performed client's follow-up
 - Analyzed weekly and monthly performance of 15 stores (sales and productivity)
 - Oversaw scheduling and payroll management for a team of 20 store employees
